3 July 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 3 July 1967

ADD/I reported the latest assessment on the status of the thermal power plant in Hanoi.

ADD/I discussed the response to a request from McGeorge Bundy for an assessment of indications that European oil companies are meddling with existing Middle East oil arrangements.

Godfrey noted the oil situation in Libya and hostilities along the Suez Canal. He proposed to publish a Middle East Sitrep today but, with the Director's permission, not tomorrow unless the situation warrants. The Director agreed.

Godfrey noted the wrap-up on military hardware in Sunday's special assessment.

Kent suggested that the Director might wish to send Admiral Sharp a copy of the China-Southeast Asia warning Estimate. The Director agreed.

Carver discussed the political situation in South Vietnam.

ADD/S&T briefed on recent recoveries of photographic satellites.
